1. Have the Petitioners filed similar petitions or notices in other states? If so, provide a listing of states and action taken or pending.
2. Have the Petitioners filed a similar petition with the FCC or other federal agency? If so, list any action taken and the associated file(s) or document number(s).
3. How many customers do the Global Crossing companies have in Tennessee? How many will be transferred to Matrix?
4. What telecommunication services will the Global Crossing companies provide under current CCNs in Tennessee after the transfer?
5. Will Matrix be reselling Global Crossing services or providing service over its own facilities?

6. Consistent with TRA Rule 1220-4-2-.56(2)(d), will Global Crossing customers being transferred to Matrix receive required notice in the event that service rates increase within ninety (90) days of the transfer? If so, explain why your customer notice does not state that such notice will be given.
7. Please provide evidence of technical, managerial and financial qualifications to operate a facilities based competitive local exchange provider.
8. Has the deal to transfer customers already closed? Have the customer notice letters already been sent to affected customers?
